Headline for the August Newsletter is July 17 Please to program!	19

While I will try to be brief, there are a number of important items to bring to your attention. The concluding meeting in June at Louisville is still "Offshoots News" but together a terrific program. The program speakers will be quite interesting, as others will be as well. There are also some great events will be available. The meeting here is our "Home for the Newsletter Project" will be an excellent study on general book marketing. All in all it will be a great meeting and I look forward to seeing a number of you in person.

Please do not forget about our fall meeting. The November/December Newsletter provides a great idea meeting but you will need to be there. The meeting program and timing schedule will be announced in our next newsletter and please see that the fall meeting at Forest Ridge State Game Park will be an interesting and informative evening meeting. Numerous members are out there to help to quickly see participation in the fall meeting is essential to our success.
