and go with showers. Surprisingly, only about half of the registrants are on our current membership roll. Thanks again to Wilson Francis et al for all the work done in preparation. Members and new introductions alike enjoyed informative and entertaining presentations by Drs. Alan Mills of Iowa College and John Thomas of Northern Kentucky University, who spoke on "Wildflower Photography" and "Pinecones Fall," respectively.

We owe a special debt of thanks to Charles Chandler who, almost single-handedly, has seen to the distribution of about 1000 of
